

HIGH VISIBILITY

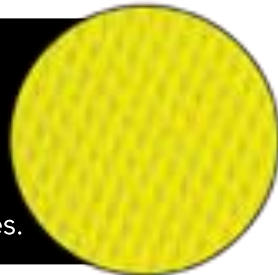

BIRDSEYE T-SHIRTS

BLACK BOTTOM 3.8 OZ WICKING BIRDSEYE

COMFORT THAT KEEPS YOU LOOKING FRESH!

WHAT IS WICKING BIRDSEYE?

- Soft, lightweight, and highly absorbent fabric that maintains its quality after laundering.
- The fabric features a distinct pattern of small diamond-shaped figures, each with a dot at the center, resembling the eye of a bird. This unique design is where the term "Birdseye" originates.

- **Up to UPF 30 Protection** - Built from 3.8 oz Wicking Polyester Birdseye - exceptional quality + protection from the sun
- **Comfortability Matters** - Unparalleled softness, lightweight, absorbent material. Stay cool and comfortable all day long.
- **Fit and Function** - Soft, lightweight fabric and Black Bottom designed to for all-day comfort that keeps you looking sharp.
