

FLAME RESISTANT

COOLING NECK SHADE

TD970-FR

ENGINEERED FOR SHADE. BUILT TO PROTECT.

- **All-Day Cooling Comfort** - Wicks sweat and dries fast for evaporative cooling that works with or without water
- **Full Sun & Heat Defense** - UPF 50+ knit shades the neck and ears, blocking 98% of harmful UV rays
- **Built for Hazardous Environments** - Inherently flame resistant and arc-rated, with protection that won't wash out
- **Snaps On & Stays Put** - Snaps quickly onto most hard hat or helmet suspensions for a secure, no-slip fit
