

COOLING

RIPSTOP SUN BRIM

RS899

WATER. REST. SHADE.

Repeating "shade, cool, and protection" like a summer mantra? OccuNomix has got your back, literally! These lightweight shade products aren't just for show. They're a bit of extra armor to help you through your day, shielding you from the sun's relentless glare.

- **Universally Compatible** -Sun shade designed for broad compatibility to fit Hard Hats and Helmets
- **Durability for Demanding Environments** - High quality safety gear made from durable Polyester Ripstop providing essential protection.
- **Comfort & Practicality** - Stay cool and comfortable throughout the workday and shield your face and neck from the sun's harmful rays.
- **Enhanced Visibility** -Reflective Trim and logo provides added conspicuity in both low-light and bright daylight conditions, promoting a safer work environment.
