SECURE, ADJUSTABLE FIT THAT STAYS IN PLACE
AND HELPS KEEP THE ELEMENTS OUT

Teflon™ EcoElite™ is a sustainable, plant-based fabric finish that provides durable water and stain repellency without compromising breathability or comfort. Made with renewably sourced materials, it helps products stay cleaner, drier, and performing longer.

Odor-free, non-staining insect protection that lasts through 50+ industrial washings. Trusted protection for the jobsite and beyond.
